"Save yourself from the (Hell) Fire even with half a date (to be given in charity) and if you do not find a half date, then with a good, pleasant word."

-Collected by Al-Bukhari

HalfDate.com is a Web site inspired by this hadith. It is not a charity but a sadaqa promotion site, which has united Muslims all around the world through its monthly drives.

"Alhamdulillah I'm a student and I'm broke, but I still managed to donate. Many times we hesitate to donate even a couple of bucks, but don't mind getting our twice-a-day \$3 fix at Starbucks."

- Sister M. from Florida who donated to a school in Los Angeles

From a teenage boy in the UK to a grandmother in Arizona, from the housewives in Singapore to the nerds in Silicon Valley...they all signed up to the mailing list of HalfDate.com.
